

Extra HHF News Flash Mid-August 2007

This is just a quick mid-month update to let you know about a few new and upcoming items! The next full newsletter will be distributed in September.

SIGN UP NOW FOR AUGUST 19 BARBEQUE CLASS ~~ Learn and practice barbequing techniques with Brian and Heather, then enjoy a classic summer barbeque dinner afterwards! Just a few spaces are left... contact the store for details (216.291.3450).

MARK YOUR CALENDAR FOR THE AUGUST 26 TASTE OF LEGACY ~~ It's that time of year again. For the third year in a row, we are participating in the Taste of Legacy, Sunday, August 26, 12-6 p.m. This is a great opportunity to taste the newest and yummiest culinary delights from Legacy Village's restaurants (and Heather's Heat and Flavor, of course). We're setting up a booth to serve both mild and spicy treats. We look forward to seeing you there! For details, visit http://www.legacy-village.com/upcoming_events.asp?id=443.

CHECK OUT OUR HOTTEST NEW PRODUCT! ~~ Naga Jolokia is a chile pepper from India that has now been proven to be the hottest pepper in the world, measured at more than 5x the heat of a Habanero pepper! We've brought in this incredibly hot chile powder to fan the flames of our most serious chileheads (available by the ounce or in a cool metal keychain container).

JOIN A GREAT TEAM... NOW HIRING ~~ Have fun with food! Our Legacy Village store has an opening for a part time weekend position (four hours each on Saturday and Sunday). Our employees have a great time sharing their love of sauces and spices, testing new products and learning about the rarest and most sought-after culinary flavors. If you'd like to pick up some extra income doing something you love, stop in the store to fill out an application and schedule an interview with Brian and Heather (24687 Cedar Road, Lyndhurst, OH 44124).

Have a fabulously tasty August!

Heather Marks

CEO, Heather's Heat and Flavor, www.heatandflavor.com
